REALITY MENTOR INC.

About Us.....

Reality Mentor Incorporated (RMI), is a California-based 501C (3), non profit organization. RMI is headquartered in Hayward, California, and was conceived and founded by Freddye M. Davis in 2005. RMI's program is built upon a model of integrated partnerships, community involvement and school participation. RMI's goal is to "Create New Directions for Today's" Youth," by matching our youth with the best and brightest mentors from businesses, government, and educational institutions.

What We Do.....

RMI uses adult volunteers to commit to supporting, guiding, and being a friend to a young person for a period of at least one year. By becoming a part of the social network of adults and community members who care about our youth, the mentor can help each young person to develop and reach positive academic, career, and personal growth.

About Our Mentors.....

RMI mentors must sign an agreement that details the scope of their responsibilities. The Mentor must be willing to commit to the following;

- Make a one-year commitment
- Spend a minimum of eight hour per month one-to-one with their assigned Mentee (either in-person, email and/or texting)
- Communicate with the Mentee weekly
- Attend an initial two-hour training session and additional two-hour training sessions twice during each year of participation in the program
- Attend optional Mentor/Mentee group events, mentor support groups and program recognition events.

Services We Provide.....

- One-on-One mentoring
- Entrepreneurial Training
- Life-Skills Workshops and Training
